LOCATION

Kiev, Ukraine - 6 000 sq. m.

PROJECT YEAR

2015 - 2020

CHIEF ARCHITECT

Designed by Agafonov Oleksiy

Lead Architect Sydoruk Olha

MAIN FEATURES

The classic style is combined with more modern elements (green walls, LED lighting). The color scale is chosen on the basis of customer requirements. Reproductions of famous paintings are hung throughout the house.

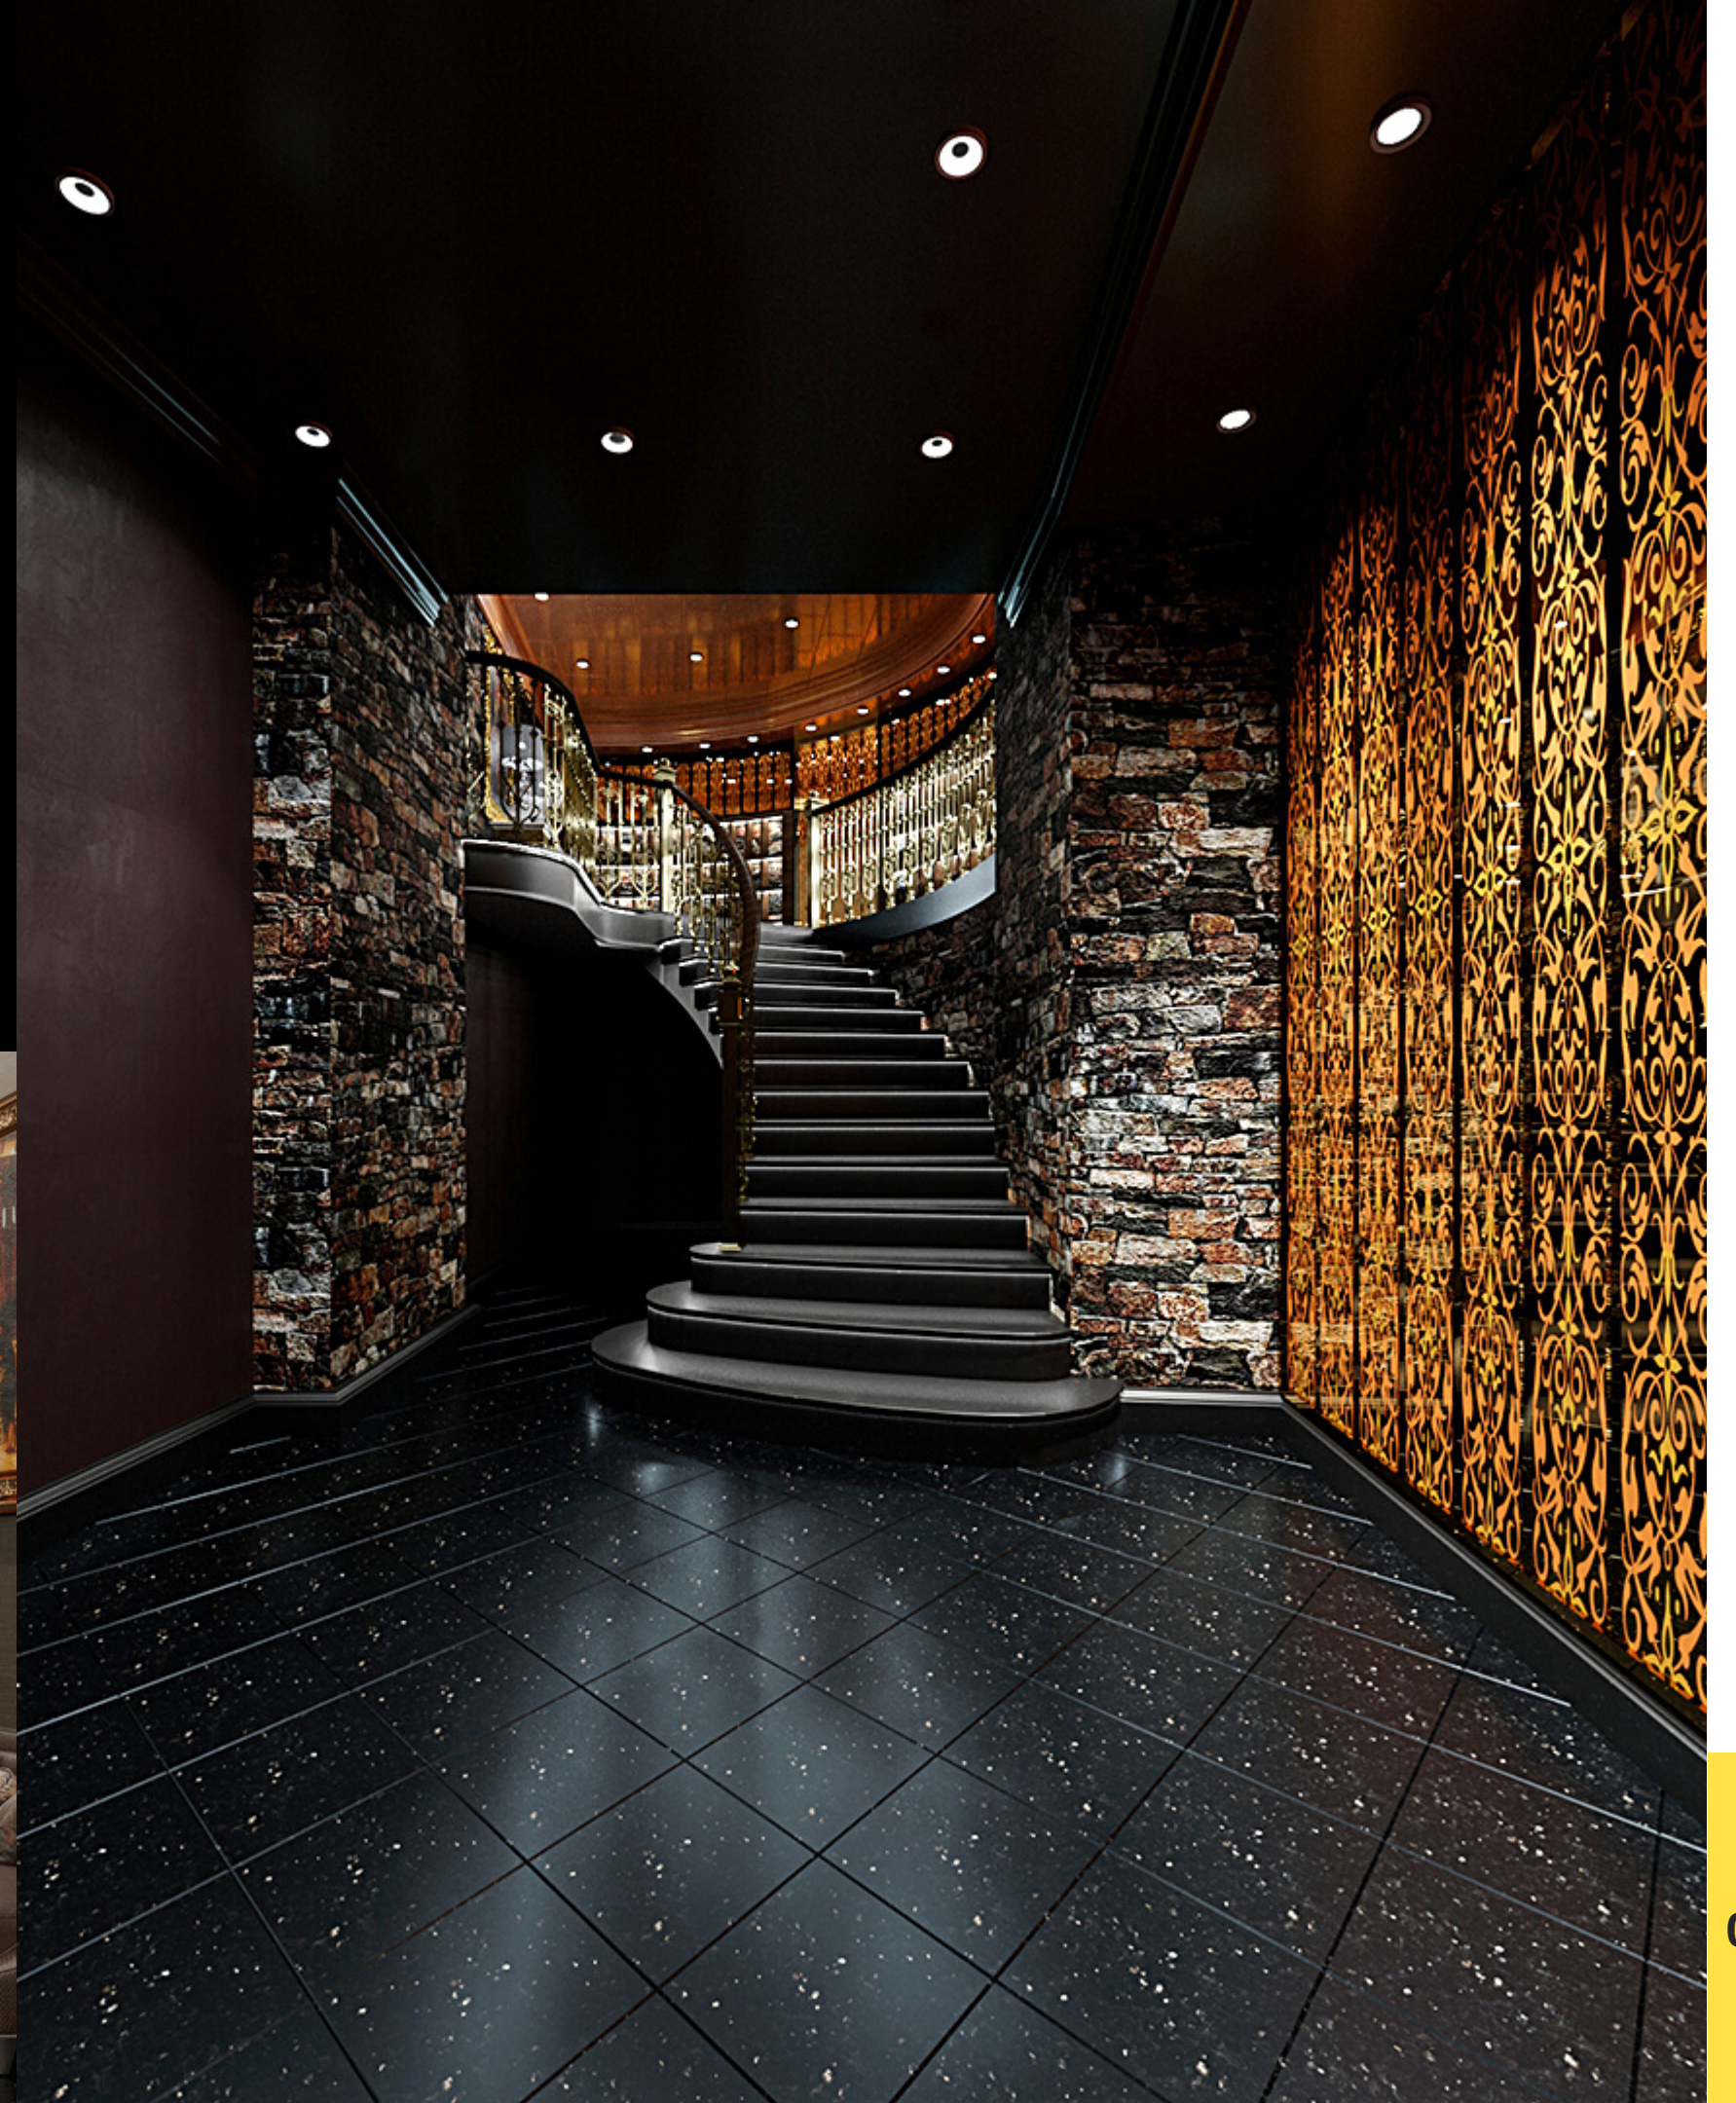

VISUALIZATION OF PREMISES

The peculiarity of the staircase is that it consists of many different materials. Crystal balinks and malachite risers, as well as led lighting. New LED fixtures are designed directly for this facility.

KEY FEATURES

The pool lobby and wine cellar are designed in dark colors. There are glass partitions and led ceiling lights. The walls are finished with rough stone

MAIN FEATURES

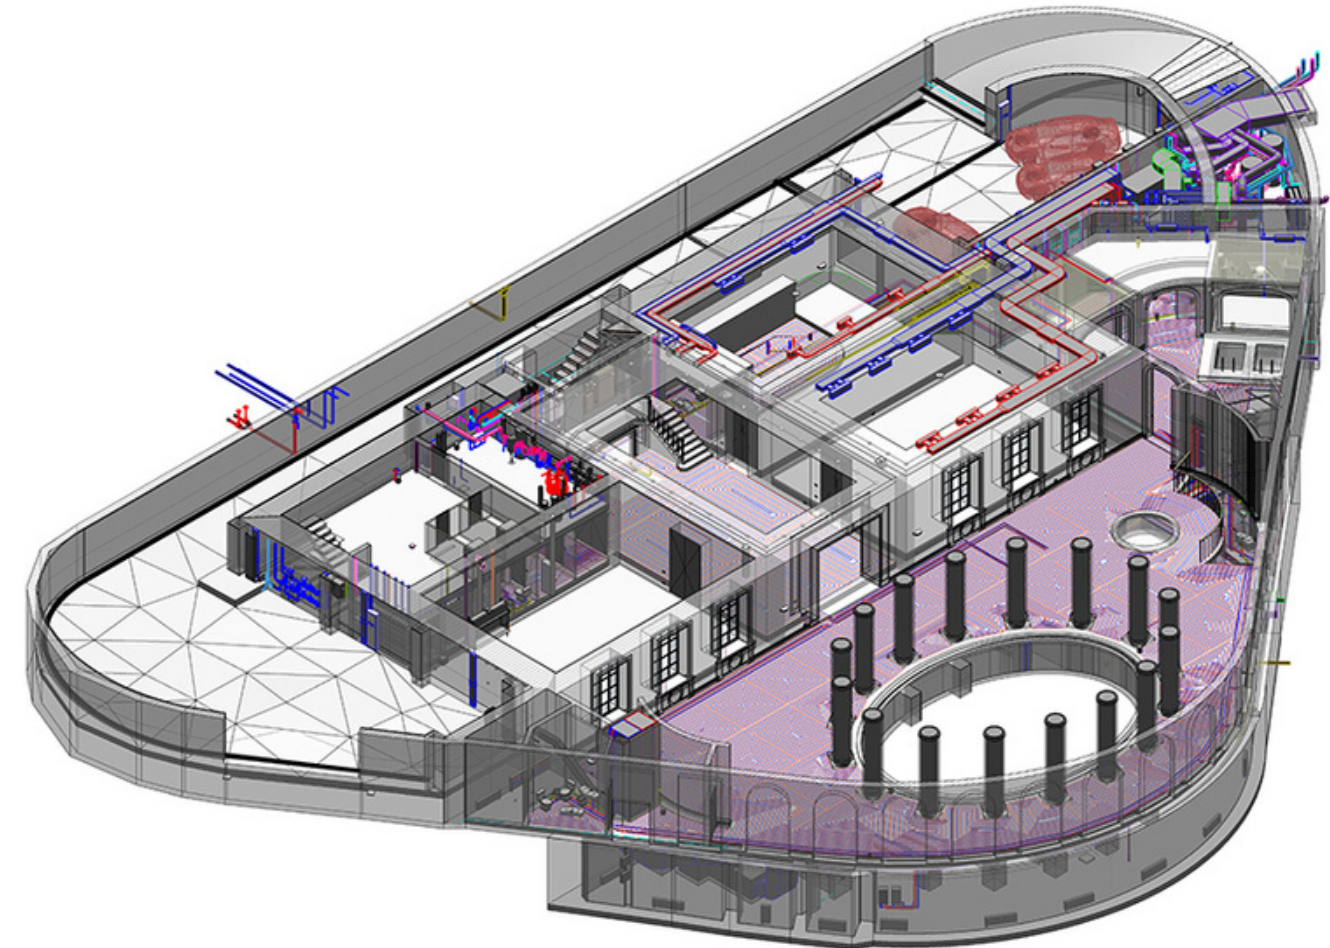

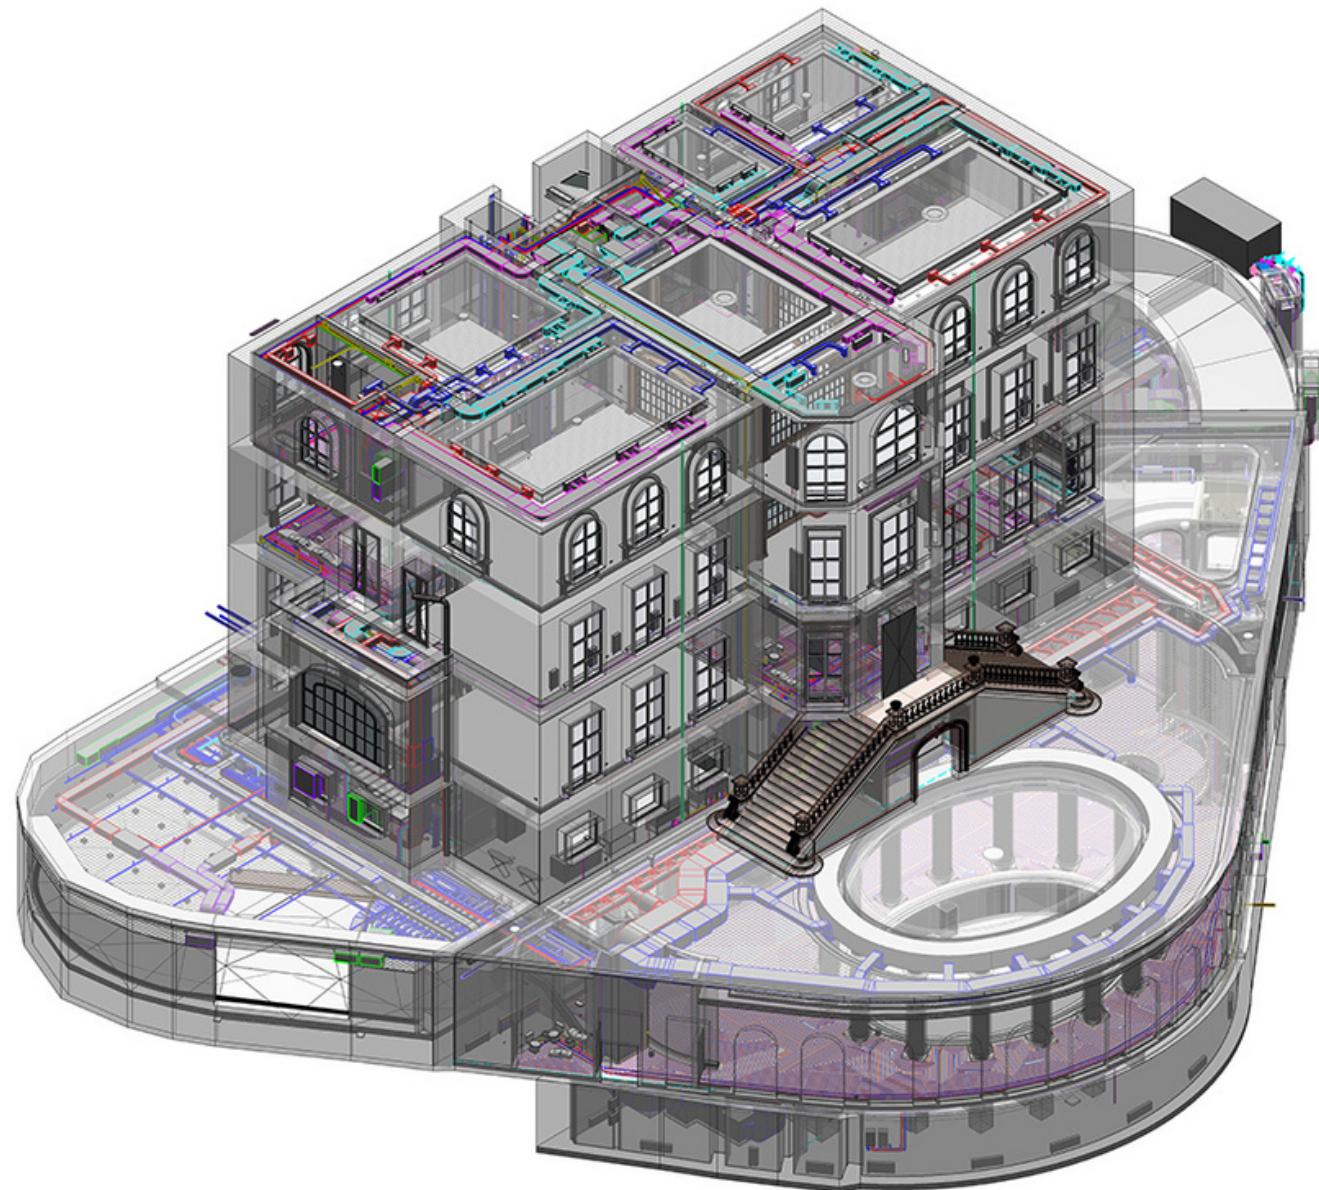

The rooms are furnished with classic wood furnishings with fabrics. The ceilings in the wine cellars are made of metal.

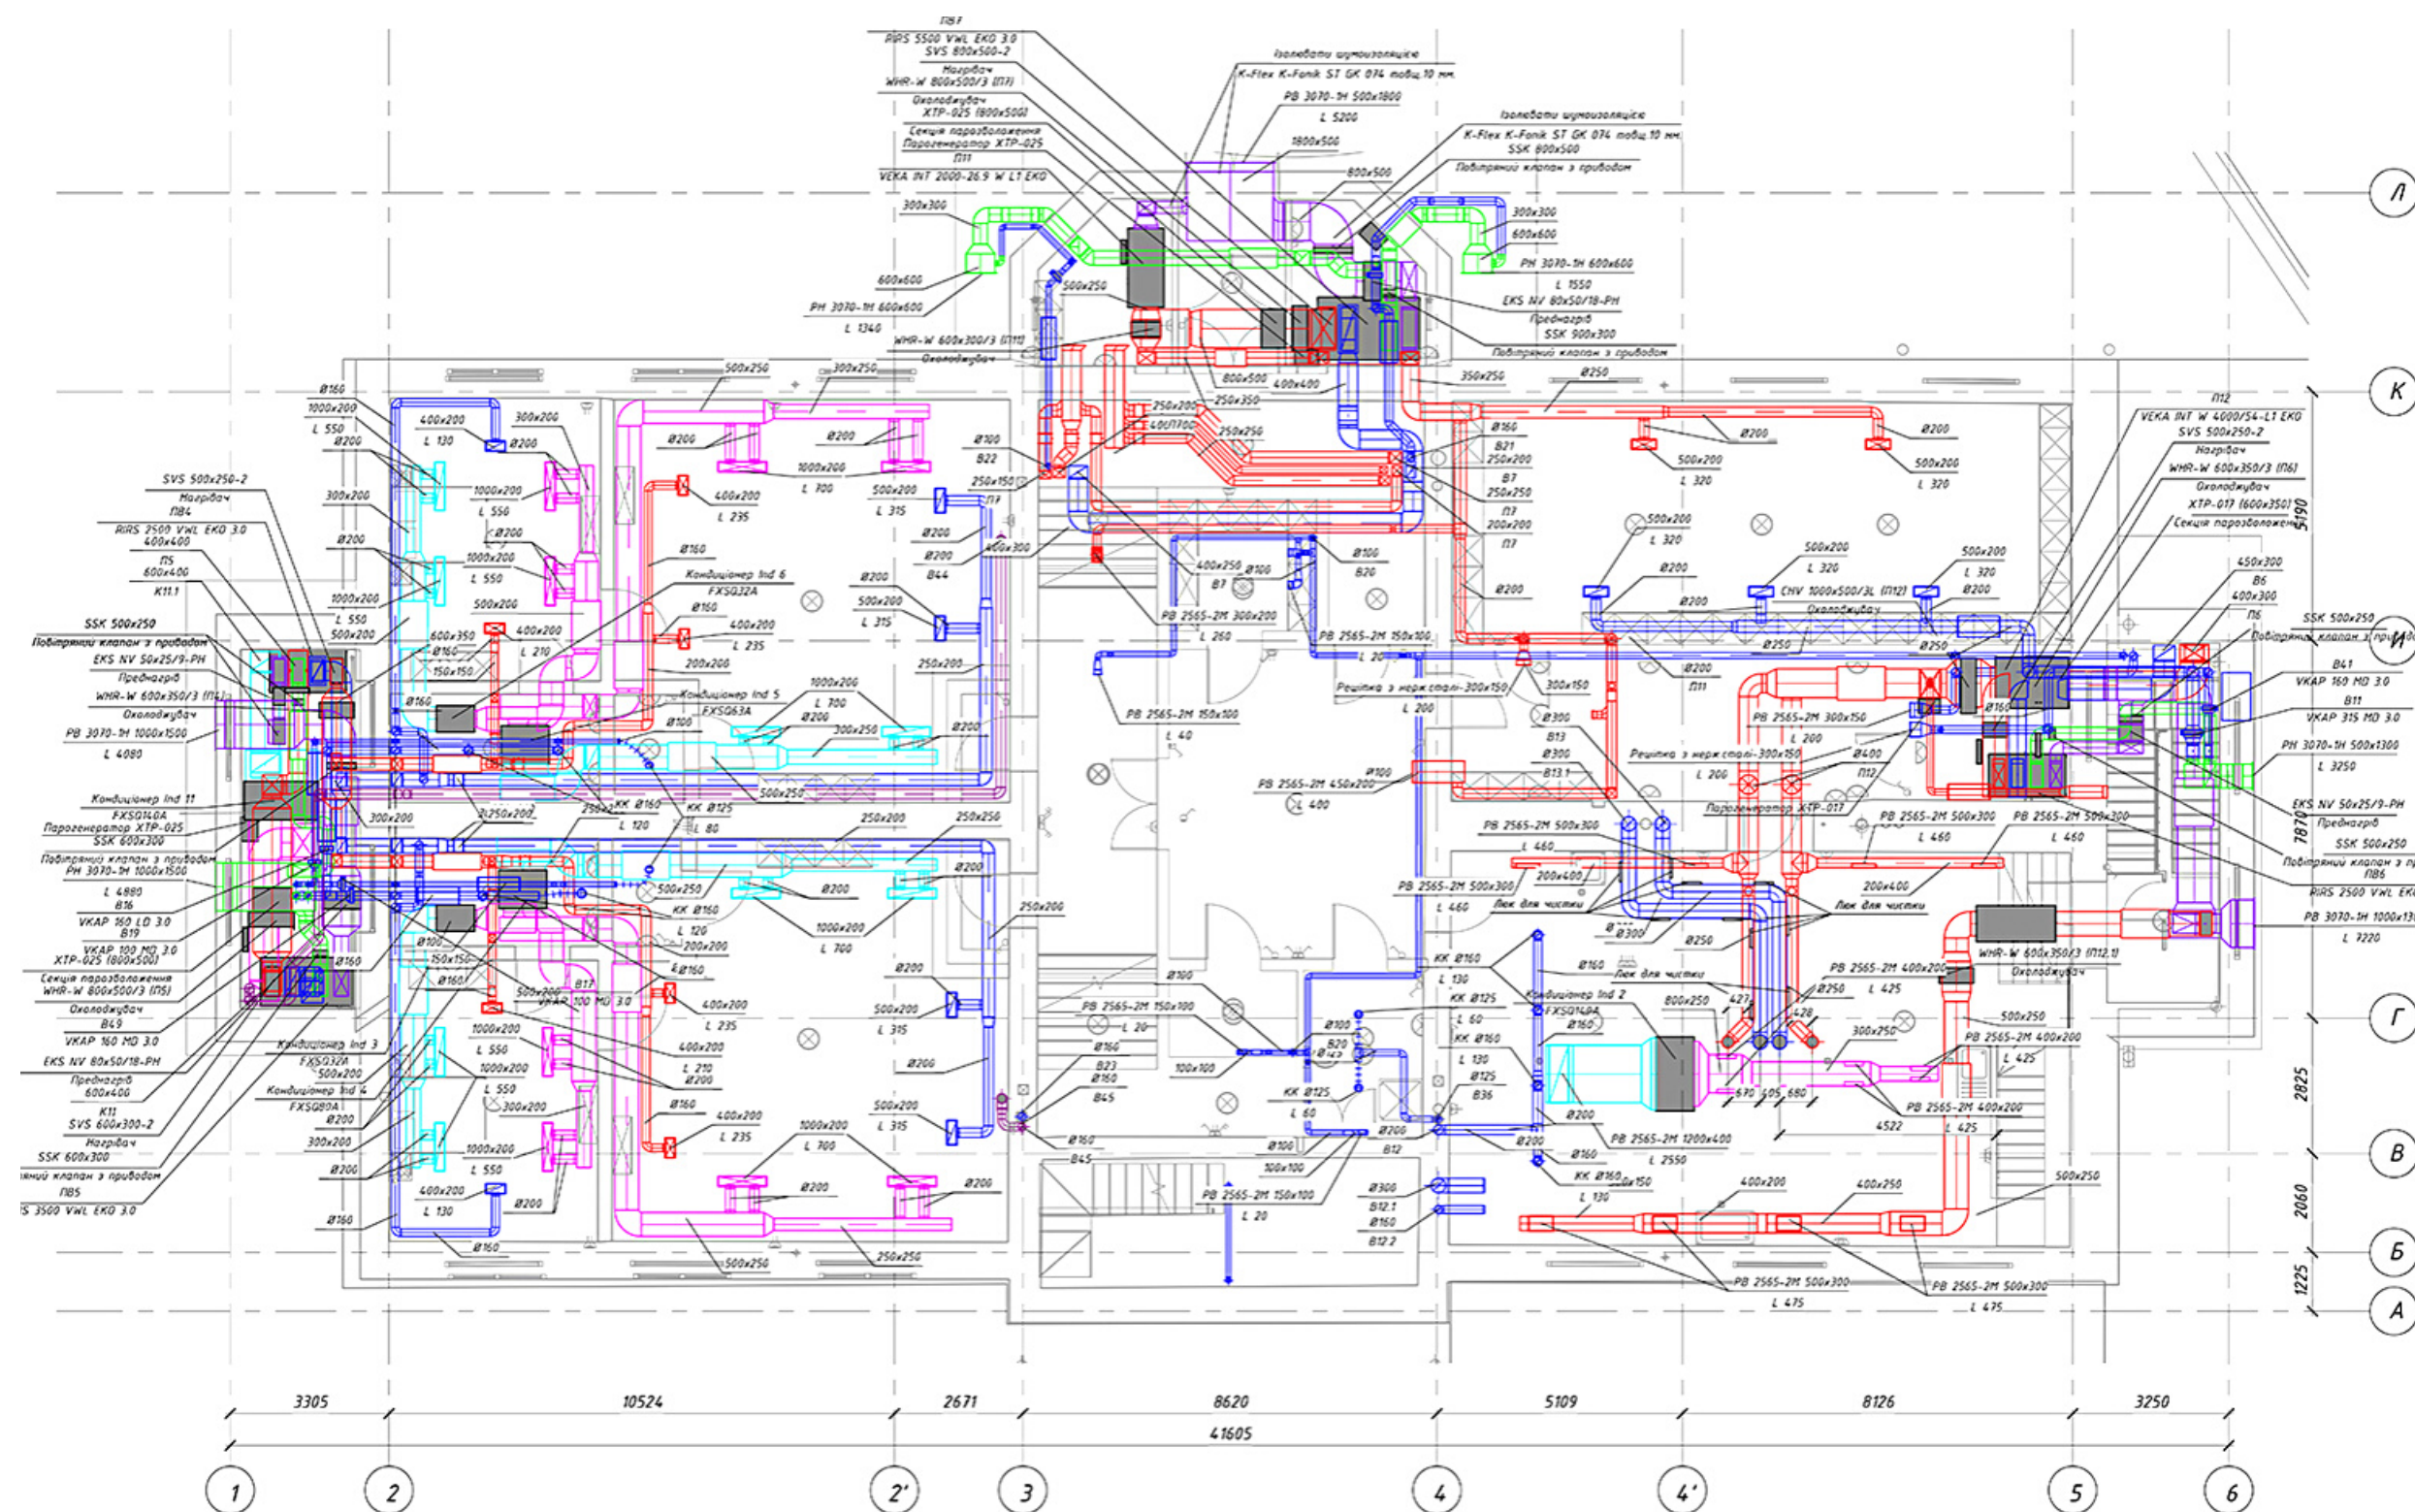

SPA AREA

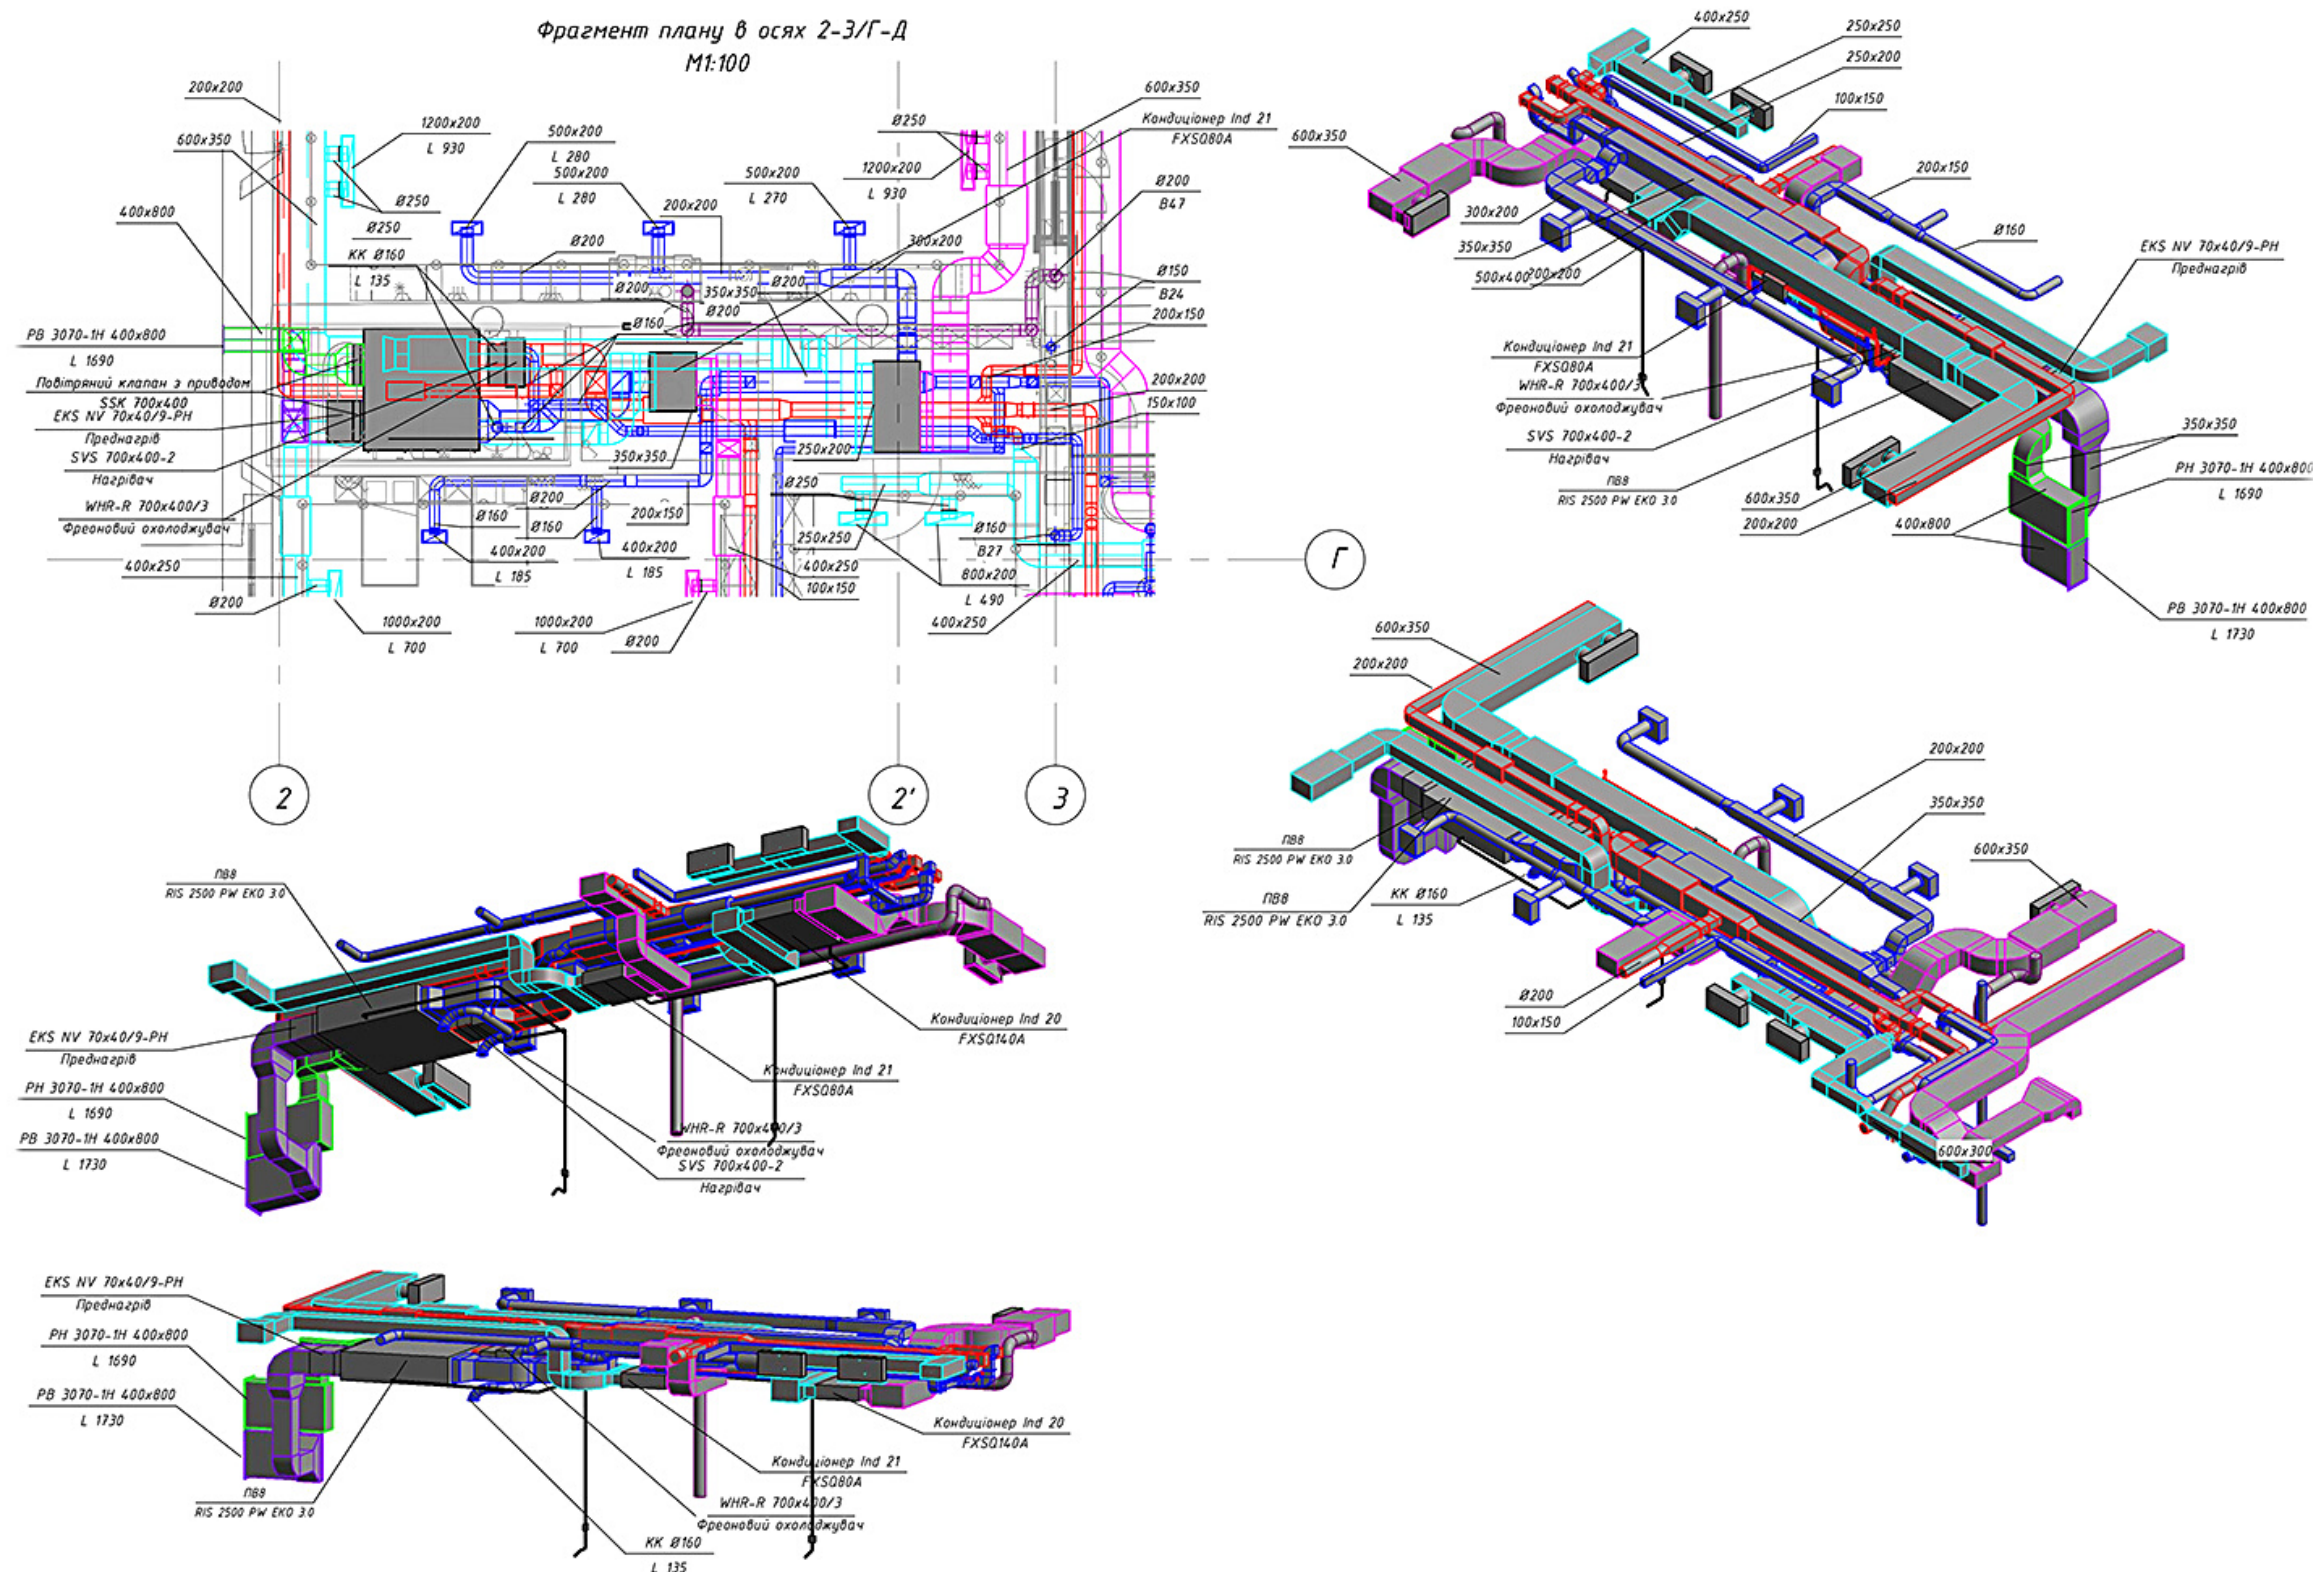

The building has an oval pool, many different saunas and a jacuzzi. There is a mosaic stucco, the starry sky above the pool and decorative wall with led lighting.
